

MARLA BAY PROTECTIVE ASSOCIATION

P.O. Box 543

Zephyr Cove, Nevada 89448

To all current and prospective Marla Bay Buoy Field participants:

Happy 2021 Boating Season! While the field will not be raised until later this spring, this letter officially opens the application period, and is a very important step to preserve your location in the field for the season. Please go to the Marla Bay Protective Association website www.marlabaynv.com and click on the “Buoys” tab to review, download and complete the appropriate documents for application. Those who are new to the buoy field this year should use the “New User” application form. The guest buoy application is for those who would like to reserve a buoy for their guests, or guests of the Bay for up to two weeks during the summer. The “Existing User” application form is for those who already have a position in the field.

We require ALL buoy field users to complete new forms each year, even if you have been a previous user in the field. **THE DEADLINE FOR SUBMITTAL OF FORMS IS March 31, 2021**. An application is considered late if it is received after this date, or is submitted without all of the required documentation. Further, late applications from existing users run the risk of forfeiting your mooring to new and timely applicants. Any questions should be directed to Buoymaster@marlabaynv.com.

WHAT’S NEW THIS YEAR? This year’s fee is **\$850, WHICH INCLUDES YOUR \$200 MEMBERSHIP DUES**. Per mooring the annual buoy fee is allocated as follows:

| | |
|--------------------------------------|--------------|
| Insurance | \$ 30 |
| Buoy Field & General Maintenance | \$137 |
| Nevada State Lands Annual Lease Fee | \$191 |
| TRPA Annual Buoy Registration Fee | \$192 |
| Buoy and Permit Reserve Contribution | \$100 |
| Annual MBPA Membership Dues | <u>\$200</u> |
| Total | <u>\$850</u> |

Normally we try to raise the field in May before the Memorial Day Weekend. We will let you all know when the field is up and available for you to bring your boat into the Bay.

Thanks for your cooperation. You can all help us HELP YOU by doing your part – SUBMITTING **COMPLETE AND TIMELY** APPLICATIONS!!!
